Crushing the glass  
Sorting the recyclables  
Working on the Haz-Mat  
Sorting old paint  
Smashing the solid waste and demo boxes  
Working on the electronics  
Sorting the scrap metal  
Filing reports for the D.N.R.  
Servicing the equipment  
Cleaning the shop  
Baling the recyclables  
Answering numerous phone calls  
Plus our daily routine

Additional info:

1. The cash register is on the fritz. I am checking into a new one, this one has brought in over \$700.000. So it has done it's job. I have some questions for Carol before I order the new one. It will be fairly soon.
2. I am getting close to setting up a time for the people to come and measure up our divider wall. I will ask for a detailed estimate.

Respectfully Submitted,

Ted Pallas Supervisor, M.R.F.
